SAFELINK

Protect Your Investment - Industry Leading Warranty - 100% Money Back Guarantee!

Six of the top 10 U.S. Metropolitan Statistical Areas for motor vehicle theft were in California in 2016.

- 1.** Drive Profits with SafeLink Theft Recovery GPS
- 2.** No Subscription Fees
- 3.** Coast to Coast Coverage

In the event of a theft, you should contact the police and SafeLink Theft Recovery System. Once we have the crime reference number, we will activate the tracking unit to begin transmitting a unique signal that can be traced by police to help them find your vehicle.

Real-time GPS Location

SafeLink Theft Recovery System uses GPS Tracking Technology to generate signals that pinpoint the EXACT location in Realtime.

SafeLink Theft Recovery System Pinpoints a Stolen Vehicle's Location within minutes

Emergency Call Center

We are available 24/7/365 for stolen vehicle recovery assistance.

Insurance Discount Savings

By having SafeLink Theft Recovery System, you may qualify for car insurance discounts.

Find Your Vehicle

Our GPS Technology System pinpoint's Real-Time location in minutes.

Cost Efficient

Our Product benefits your customer as well as the dealership with a One-Time Cost - ZERO monthly Fees!

A large, empty rectangular area with a light cream or yellow background, intended for a message or signature. It contains two faint horizontal dotted lines near the bottom left corner.
